## **Driving 101 Driving Log**

To stay in compliance with WA State Driver's Ed Laws you must do something that pertains to Driver's Ed at least one hour per week.

This could include at least one class, one drive or one observation, until you're done with driver's ed.

50 hours of practice is required by the state of Washington to obtain your license, 10 hours of which must be night-time hours.

Did you know, the first 500 miles someone drives are the most dangerous?
